

General Instructions for Completion  
of  
Application Forms for Blasting Permits

Ordinance No. 88-166 as amended requires that Blasting Permit be obtained from the Natural Resources and Environmental Management Office prior to the use of explosives.

The attached permit application forms are intended to be self-explanatory, and should, if properly completed, include the information necessary for the Huntsville Natural Resources and Environmental Management Division to adequately process an application in a timely manner.

Applicants are encouraged to contact the Director of the Huntsville Natural Resources and Environmental Management Division at (256) 427-5750 if there are any questions.
